THE 1971 ATHENS EKISTICS MONTH

The crisis confronting Human Settlements and the attempt to establish efficient methods of facing up to this, one of the most urgent problems of our era, is the subject of the nine international programs that compose the «1971 Athens Ekistics Month.» Of the five elements that constitute the human settlements - Man, Society, Networks, Shells, Nature - this year the programs will focus on «Shells» under the general theme:

Our Buildings (Shells) and the Human Settlements

The 1971 Athens Ekistics Month will comprise three weeks of seminars, round-table discussions, lectures and visits to historic and contemporary sites. The programs will be conducted in English, and will cover the period July 5 - 24.

• FIRST WEEK

1. THE ANCIENT GREEK CITIES, July 5 - 6
For the first time, the Athens Center of Ekistics will invite international experts in history, archeology, anthropology and contemporary human settlements to discuss the first three years of findings of the Ancient Greek Cities Research Project. The goal will be to draw conclusions from what we can learn from the ancient Greek world. Observers may apply to attend the round-table discussions.

2. EKISTICS RESEARCH DISCUSSIONS, July 7 - 8
The sixth year of research meetings on ekistic problems. Invited experts will discuss the relationship of other elements to man-made structures. Observers are welcome to apply for attendance at the discussion sessions.

3. INTERNATIONAL CONFERENCE ON EDUCATION IN EKISTICS, JULY 9-10
This conference is being sponsored by the World Society for Ekistics and is intended to form a substantive contribution to the 1972 United Nations Conference on the Environment. Educators from all over the world will discuss development of a core curriculum in ekistics on the university level. Position papers will be read and discussed by invited participants. Students and observers may apply to attend the conference.

• SECOND WEEK

4. DELOS SYMPOSION (DELOS NINE), July 12 - 19
The ninth year of an informal gathering afloat of a small group of invited authorities from various disciplines, countries and cultures, discussing problems of human settlements. Participants and observers to this symposion attend by invitation only.

5. GREEK SETTLEMENTS THROUGH THE AGES, July 12 - 18
Organized for the fourth year, the tour includes visits to ancient, Byzantine and contemporary sites and settlements. Participants will be accompanied by ACE staff members and experts who will give on-the-spot lectures on the history, culture and ekistic aspects of each site visited. Participants will also have the opportunity to attend the closing session of the Delos Nine Symposion at the ancient theater of Delos.

The cruise will take place on the m/v SEMIRAMIS. The itinerary is a follows:

Monday,	July 12:	Athens — Piraeus — Heraklion
Tuesday,	July 13:	Heraklion — Knossos — Aghios Nicolaos
Wednesday,	July 14:	Rhodes
Thursday,	July 15:	Kos — Patmos
Friday,	July 16:	Delos — Mykonos
Saturday,	July 17:	Mykonos
Sunday,	July 18:	Mykonos — Delos — Mykonos
Monday,	July 19:	Mykonos — Piraeus — Athens

The price per person is as follows:
Accommodation on board Semiramis

in: 4-berth cabin (sharing facilities)	US$130
4-berth cabin (sharing facilities)	US$157
2-berth cabin (sharing facilities)	US$170
2-berth cabin (private facilities)	US$185

Please Note: All services for all participants will be exactly the same with the exception of cabin facilities. The Semiramis is a uni-class boat. The differences in prices depend solely on the cabin location, size and facilities.

For the three nights participants will spend on Mykonos, accommodation will be in private houses.

• THIRD WEEK

6. GENERAL ASSEMBLY OF THE WORLD SOCIETY FOR EKISTICS, July 19
The seventh annual meeting, restricted to members of the Society only, to discuss achievements and lay down guidelines for future action.

7. INTERNATIONAL SEMINAR ON HUMAN SETTLEMENTS, July 19-22
This seminar, organized for the seventh year, provides for an interdisciplinary exchange of ideas and discussions on growth and change with particular emphasis on future developments. «Our Buildings (Shells) and the Human Settlements: Programs and Plans» provides the theme for this year's program, conducted by a group of experts of international standing. Each day's program includes several speakers who give short lectures, slide presentations, etc., from the viewpoints of their own fields of interest. A discussion period follows each presentation, in which all in attendance are welcome to participate with comments, questions and debate.

8. MEETING OF THE EKISTICS EDITORIAL ADVISORY BOARD, July 20
Annual meeting of the Executive and Advisory Editorial Boards of the «Ekistics» Journal to discuss progress and future policy.

9. DOXIADIS SEMINAR ON EKISTICS, July 23 - 24
C.A. Doxiadis will apply the ekistic approach in attempting to arrive at a synthesis between Shells and Human Settlements. This is the sixth year for this program, in which, at the end of each day's presentation, the audience is invited to participate with discussion and questions. The program will provide for presentations by project teams to demonstrate how an ekistic team operates.

CONDITIONS OF ATTENDANCE

- Those interested in participating in the Seminars and/or the Tour of Greek Settlements are welcome to apply.
- Observers are welcome in the Ancient Greek Cities, Research Discussions and the International Conference on Education in Ekistics.
- Lecturers for the Seminars and participants in all other programs are by invitation only and no applications are considered.
